Traction Studio is hiring: Architect (2+ years)

Job Code: 202610-ARC-01
Location: Chembur, Mumbai
Working hours: 10 am to 7 pm (2nd and 4th Saturdays off)

Project typologies (not limited to): high-end luxury villas and residences, amenity projects, high-end commercial and residential interiors.

The role
We're hiring an Architect with experience in high-end residential, hospitality and amenities projects.

Qualifications and skills
- B.Arch degree or a diploma/degree in Architecture
- Minimum 2 - maximum 4 years of hands-on experience in architecture, landscape design, and interiors
- Proficiency in industry-standard design software
- Strong creative vision, communication skills, and the ability to drive projects forward

Roles and responsibilities
- Project ownership: work with a team of architects and interior designers to ensure creative, timely, and high-quality project delivery
- Conceptual design: develop innovative design concepts in line with client briefs
- Design development: create design models, illustrations, and professional presentations
- Database management: maintain and update the design database following office protocols
- Team coordination: delegate tasks effectively, monitor progress, and ensure team alignment
- Client and stakeholder liaison: coordinate with clients, vendors, contractors, and agencies to drive seamless project execution
- Site oversight: conduct periodic site visits to oversee project execution and address on-ground challenges

Key accountabilities
- Streamline project workflows both within the studio and with external collaborators
- Ensure the accurate and organized maintenance of project drawing databases
- Guarantee timely project delivery while upholding design quality and standards

Desired profile
- Proven ability to independently manage projects under the guidance of a senior architect/designer
- Prior experience in private residences, hospitality and high-end amenities projects is preferred
- Expertise in coordinating drawings and details with consultants
- Strong knowledge of market practices, materials, rates, and vendor profiles
- A commitment to a minimum tenure of 2 years in the role

Why join us?
Join our team to work on exciting projects, contribute your expertise, and grow in a collaborative and stimulating environment.
